PRICE SCHEDULE

FIRM: _____

RFP NO.: 2024-FC-17

Generator for Bear Lane

Instructions:

- (1) Refer to the “General Instructions”, “Specifications”, and the “Construction Drawings” before completing this Price Schedule and quote your best price.
- (2) This is a, firm-fixed-price supply and construction contract to include warranty. Phase I entails providing the generator concrete infrastructure to be completed within 60 calendar days from the Notice to Proceed. Phase II provides for the delivery and installation of the generator.
- (3) Proposers must provide prices for items 1 through 5. **NO ITEMS MAY REMAIN BLANK.**
- (4) Line item 6 is the Betterment Fund Allowance. It will automatically be calculated into the Total Base Price.
- (5) Unit Prices must be entered in the Price Schedule, and in the case of discrepancy between the Unit Price and the Total Price, the Unit Price will be presumed to be correct.
- (6) The Total Price and the Total Base Price fields are locked and will automatically populate the totals.
- (7) Prices are valid for one hundred twenty (120) calendar days from the Board approval date.
- (8) Submit one signed Price Schedule. On the outside of your sealed Price Schedule address your envelope with the information as noted in Section 5.0 “Submission of Proposals” in the “Instructions to Proposers” section in the RFP or submit your Price Schedule electronically to procurement@crrta.org prior to the deadline.

The undersigned Proposer proposes and agrees, if this Price Schedule (Attachment A) is accepted, to contract with the CCRTA to furnish all work in accordance with the specifications and drawings for this RFP, according to the following unit prices:
